

YOU ARE NOT ALONE.

CONNECT WITH OTHERS NAVIGATING ALZHEIMER'S

ALZConnected®

ALZConnected® is a free online community for everyone affected by Alzheimer's or another dementia, including people with the disease and their caregivers, friends, family members and neighbors, as well as those who have lost someone to the disease. Members can share questions, experiences and practical tips via message boards and live chat rooms, or create private groups organized around specific topics.

Membership Benefits

Membership is free, but users must register in order to post.

After registering, ALZConnected® users can:

- Connect and communicate with people who understand their challenges.
- Pose questions and offer solutions to dementia-related issues.
- Create private groups organized around a dedicated topic.
- Participate in the message boards.
- Have 'real-time' conversations with other members in chat rooms.

GETTING STARTED IS EASY
